Graphic Designer

Description

Starlink.Care is on the hunt for a talented Graphic Designer to bring our visual content to life. If you have a keen eye for design, a passion for creativity, and experience in producing compelling graphics, we'd love to have you on our team. As a Graphic Designer at Starlink.Care, you'll be responsible for creating visually stunning designs for a variety of digital and print media. Join us and play a key role in shaping our brand's visual identity while working in a dynamic and supportive environment.

Responsibilities

- **Design Creation:** Develop and produce high-quality graphics for websites, social media, marketing materials, and other digital and print platforms.
- **Brand Consistency:** Ensure all designs adhere to brand guidelines and maintain a consistent visual identity across all channels.
- **Concept Development:** Collaborate with the creative team to brainstorm and conceptualize design ideas that effectively communicate our brand message.
- **Project Management:** Manage multiple design projects simultaneously, ensuring deadlines are met and quality standards are maintained.
- **Feedback Integration:** Incorporate feedback from clients and team members to refine and enhance designs.
- **Trend Awareness:** Stay updated on design trends, tools, and techniques to keep our visual content fresh and innovative.
- **File Preparation:** Prepare and optimize design files for various formats and platforms, ensuring high-quality output.

Qualifications

The Candidate must have strong Portfolio.
